MEMORANDUM

TO: File

FROM: Malika Davis, Public Utilities Analyst *MD*

Subject: In The Matter Of The Application Of Constellation Energy Projects & Services Group, LLC For Approval Of A Name Change To Constellation Energy Projects and Services Group Advisors, LLC (Filed January 9, 2012). PSC Docket No. 12-18T

On January 9, 2012 Constellation Energy Projects & Services Group, LLC ("Constellation") filed an application with the Commission to change its name to Constellation Energy Projects and Services Group Advisors, LLC ("CEPS Advisors" or "the Company"). An Electric Supplier Certificate ("ESC") was originally granted to Constellation Energy Projects & Services Group, LLC.¹

In the application in the instant docket, Constellation is now requesting a name change to CEPS Advisors to be effective immediately. In their filing, CEPS Advisors included proof from the Delaware Secretary of State that it is legally authorized and qualified to do business in the State of Delaware. The company also provided a sample letter informing customers of the name change.

It does not appear that the requested name change would result in disruption of service to Delaware customers.

Constellation Energy Projects & Services Group, LLC request for a name change to Constellation Energy Projects and Services Group Advisors, LLC appears to be reasonable and meets the requirements of the ESC Rules in Regulation Docket No. 49. Among other things, the filing satisfies the requirements pursuant to 26 Del. Admin. C. §§ 3001 2.1.1.1 (Authority to do business in Delaware). Staff, therefore, recommends acceptance by the Commission of the application for a name change by Constellation to CEPS Advisors.
